

**REMARKS**

Applicants have amended the specification to correct certain figure number designations which the Office identified as being incorrectly labeled in the Notice dated October 12, 2010. Additionally, two typographical errors were noted in one of the affected paragraphs and those errors are corrected herein as well. Particularly, in the corrected paragraph on page 41 as set forth above, the term “mEF-2. but” now properly reads “mEF-2- and”.

The amendments do not add new matter and merely correct an inadvertent mis-numbering of those figures. The additional amendments noted above correct inadvertent typographical errors which are readily apparent from the balance of the paragraph at page 41 and from the associated Figs. 5a-c.

In view of the above amendments, Applicant believes the pending application is in condition for allowance.
